INTRODUCTION

Zoë Bible College provides a dynamic Bible Course that helps train students with a solid foundation of God's Word.

We aim to equip you to make a positive impact on your family, church and the community at large.

The Bible Course will train you how to apply the Word of God in your life and ministry. The teaching actively encourages you to put into action what is taught each week and to share how it is affecting and changing your life. With the emphasis on the Word of God and the anointing of the Holy Spirit, we endeavour to prepare men and women to fulfil their destiny and discover their calling.

We offer a two-year, part-time evening Bible Course. Each year consists of 6 subjects, with each topic covered every 6 weeks.

Each session is divided into two 45-minute sessions, where you are encouraged to get actively involved. There are exciting books to read on each subject, which will provide you with a powerful reference library for reflection later on.

The College provides a safe and friendly environment to study, ask questions and have fellowship with other students.

STUDENTS ARE ENCOURAGED TO:

- *Develop a deeper relationship with God*
- *Build a strong Christian character*
- *Grow spiritually, and in their knowledge and application of the Word of God*
- *Develop disciplined study habits*
- *Learn to love, forgive and value others*
- *Discover their place and function in the Body of Christ*
- *Become a dynamic and living witness to others*
- *Learn to flow with the Holy Spirit in ministry*
- *Discover their identity, authority and destiny in the Lord*

At the end of the second year, there will be a graduation ceremony and all students will be given a certificate on the successful completion of the course. The certificate is issued by the College and is our own qualification. Anyone can enrol for the course, whatever your occupational or educational background. You do not need to be called to full-time, or the five-fold ministry to be a student.
